5 1 preservation property rehabilitation tax credit program  
5 2 administered by the department of cultural affairs.  
5 3 The bill makes the following changes to the administration  
5 4 of the program:  
5 5 (1) Currently, property classified as residential or as  
5 6 commercial with multifamily residential units may not exceed  
5 7 \$100,000 in rehabilitation costs used per residential unit.  
5 8 The bill eliminates this requirement.  
5 9 (2) Currently, the program uses a 24-month period for  
5 10 purposes of determining the costs that qualify for purposes  
5 11 of computing the amount of the tax credit. The bill provides  
5 12 for a rehabilitation period commencing from the date the first  
5 13 qualified rehabilitation cost is incurred and ending with the  
5 14 end of the taxable year in which the property is placed in  
5 15 service.  
5 16 (3) Currently, all rehabilitation projects must be  
5 17 completed and placed in service within 36 months of approval.  
5 18 The bill allows projects up to 60 months in which to be  
5 19 completed.  
5 20 (4) A reference to the department of cultural affairs is  
5 21 changed to the state historic preservation office.  
5 22 The bill applies retroactively to July 1, 2009, for projects

1 1 Section 1. Section 321.105A, subsection 2, paragraph c,  
1 2 Code 2011, is amended by adding the following new subparagraph:  
1 3 NEW SUBPARAGRAPH. (31) Vehicles subject to registration  
1 4 which are held for sale by a motor vehicle dealership in  
1 5 this state under a franchise agreement with a motor vehicle  
1 6 manufacturer and are transferred to another motor vehicle  
1 7 dealership owned by the same person, persons, or entity, or by  
1 8 a different entity that shares substantially the same ownership  
1 9 interest, when the original dealership closes due to the  
1 10 manufacturer's discontinuance of the motor vehicle brand and  
1 11 disposition of motor vehicles remaining in the dealership's  
1 12 inventory is the responsibility of the franchisee.

1 13 Sec. 2. EFFECTIVE UPON ENACTMENT AND RETROACTIVE  
1 14 APPLICABILITY. This Act, being deemed of immediate importance,  
1 15 takes effect upon enactment and applies retroactively to  
1 16 December 1, 2010, for vehicles transferred on or after that  
1 17 date.

1 18 EXPLANATION

1 19 Under current law, a fee for new registration in the amount  
1 20 of 5 percent of the purchase price of a vehicle is required  
1 21 each time ownership of a vehicle is transferred. This bill  
1 22 provides an exemption from payment of that fee by the owner of  
1 23 a motor vehicle dealership that, upon the close of business,  
1 24 transfers the dealership's remaining vehicles to another  
1 25 dealership owned by the same person, persons, or entity, or by  
1 26 a different entity that shares substantially the same ownership  
1 27 interest. The exemption applies only when the closing of the  
1 28 original dealership is due to the manufacturer's discontinuance  
1 29 of the vehicle brand and the franchisee is responsible  
1 30 for disposition of vehicles remaining in the dealership's  
1 31 inventory.

1 32 The bill is effective upon enactment and applies  
1 33 retroactively to December 1, 2010, for vehicles transferred on  
1 34 or after that date.
